Service Received: Combination Massage

I have been seeing Kristy for a little over a year and it has been transformational for my body & my spirit. I've made a lot of progress working though some old body injuries and also release blocks in my heart/mind to moving in the direction my soul is calling. My pain level is greatly decreased. Kristy is gifted with incredible skill of knowing just what to work on and is very intuitive. I feel blessed to have found her.

Service Received: Structural / Therapeutic Massage

Kristy was very helpful in dealing with my handicaps. She has a warm friendly and healing nature and is very dedicated to the work she does. She gives her massages a lot of attention and energy. It was the best massage i have ever had, and the first structural massage. I wish I could take her back to FL with me!

Service Received: Raindrop Technique (with VitaFlex)

This was my first experience with Reiki and it was awesome! I also had the Raindrop technique done (for scoliosis) and I loved it. Kristy is highly skilled, professional, welcoming, and she puts an amazing amount of energy into the session. You can completely feel all of her training at work as far as anatomy and body mechanisms; every aspect of the massage felt perfectly tailored to my body's specific condition/needs. Immediately after the session, I felt certain that the shifting effects will continue over the next several weeks, and I'll be able to integrate the changes into my life. Thank you so much Kristy, I can't even express how much I appreciate it!

Response From Business:

Thank you for your kind words. I am blessed to have the opportunity to work with you. Happy shifting!
